

COMCARE

EMERGENCY RESPONSE ALLIANCE

COMCARE is a national non-profit alliance dedicated to **advancing emergency response**. We promote the adoption of modern, interoperable emergency systems and the development of new procedures, training, and tools to maximize their value for emergency responders. We encourage cooperation across professional, jurisdictional and geographic lines, seeking to improve effectiveness through solutions that integrate emergency response professions, government, the public, and private industry. COMCARE's 100+ organizational members represent the wide diversity of the emergency response community.

VISION

Seamless information sharing for the most advanced response to emergencies.

MISSION

Our mission is to advance emergency response to save lives, reduce injuries, and assist the emergency response professions. We achieve this by

- Encouraging collaboration across professional, geographical, and jurisdictional lines.
- Promoting the adoption of interoperable emergency systems, standards, and forward-thinking policies and procedures.
- Fostering the innovation and success of our members – individually and collectively.

VALUES

Visionary – We continually revitalize our vision of empowering the emergency response community. We are committed to making this vision a reality.

Innovation – We advocate the development and adoption of innovative solutions that advance emergency response while incorporating traditional values.

Collaboration – We facilitate partnership opportunities and encourage inclusive cooperation among members of the extended emergency response community including all emergency professions, government, the public, and private industry.

Respect – We honor and value the professional relationships we build with our members, partners, and stakeholders.
